

AGRIMASTER KN

Heavy Duty Multi-Purpose Flail Mower

OVERVIEW

The most popular model in the range. Suitable for most jobs from cutting grass & setaside to medium size brush. The hood is manufactured from FE510 high tensile and high impact steel making it suitable for the most challenging of conditions. The unique cutting action throws material over the top of the roller, keeping the cutting rotor clean & leaving a cleaner cut. Low HP requirement.

FEATURES

540 RPM gearbox with free wheel suitable for tractors of 70HP – 150HP on Cat II linkage, 5 belt drive. Fixed counter knife, paddle flails and a large 200mm (8") Ø rear roller.

OPTIONS

Skids, Hydraulic side shift, alternative widths
